Error Code 1301

If you receive an error message of 1301, you have locked yourself out of your account. You will need to contact Acentra Health to have it reset. The request for password reset can be made by calling 833-880-4207 or by emailing PAODPAssessments@kepro.com. If no answer, please be sure to leave your name, agency, phone number and request for password reset.
